

Step-by-step instruction.

The first step of an entrance on the market.

- 1 . Send by e-mail <mailto:gosmedtest@gmail.com> summary of your products and contact information.
- 2 . Tell me, in what market you prefer to have business: Russia, Kazakhstan or Ukraine.
- 3 . Prepare documents according to the [List](#).
- 4 . Send to the distributor or us samples of medical products for testing.
- 5 . Send to the distributor or us documents: Power of attorney, ISO certificate, Declaration CE, copy of Registration of a trademark and production in Chamber of Commerce of your country. (Documents are notarized an apostille).
- 6 . To pay tests and state duties.
- 7 . In 3-5 months to receive the ready Registration Certificate.

When your production will have the Registration Certificate, you have open doors for sale of goods in the market of Russia, Kazakhstan, and Ukraine.

**Depending on type of your medical products, can be necessary - additional laboratory reports.*
